Fiona was passionate about clothing and design: please wear something you enjoy!

Sensible shoes are needed for walking across the field. Bring a hat or brolly for shade. Consider bringing a stick as the site is on a slope, and a folding chair if you need somewhere to sit.

There will be an informal gathering in the field following the ceremony; you're free to stay for as long as you'd like. You may bring picnic food to share. You should also bring drinking water. Leave nothing behind when you go.

No flowers please. Instead, consider donating to the wonderful organisations that helped Fiona and Alex: [Dorothy House](#), and [We Get It](#).

Parking at the site is limited: car share where possible.
